

Newer Version of *Computer Organization and Design Fundamentals* by David Tarnoff is now available!

Thank you for your interest in Computer Organization and Design Fundamentals. I have updated the document and consequently needed to upload PDFs of the newer versions. The book is still available in all three formats. Please visit one of the following links in order to access the newer versions.

- Hard copy text from Lulu.com:
<http://www.lulu.com/content/138273>
- Single 6"x9" PDF of entire book (Click on "Download free"):
<http://www.lulu.com/content/138273>
- PDFs of individual chapters scaled to 8.5"x11" format:
<http://faculty.etsu.edu/tarnoff/138292/>

Once again, thank you for your interest in this textbook. Please feel free to e-mail me at tarnoff@etsu.edu if you have any questions or comments.

-Dave Tarnoff
