Sample Instructions for Choosing a Packing Option

(1) If selecting an “L401E6” (sensitive gate, 400 V, 1 A triac in a TO-92 package), choose one of the options available for that device:
- Bulk packed in 2,000 quantity
- Tape and Reel with 2,000 parts per reel
- Tape and Ammo with 2,000 parts per box

(2) Add the designated code as a suffix to the device number, such as “L401E6 RP” if selecting Tape and Reel or “L401E6 AP” if selecting Tape and Ammo. (Bulk packing requires no suffix.)
